Hi all,

A few take-aways from leg planning:

- ENE Rate Mitigation – leg intro date tracking to May 11
- MMA/MAG/MNRF Lands Bundle – leg intro tracking to last week of session; Lucia will prompt GHLO to see which ministry will lead
- MOL CWR – Gillian noted that an announcement needs to be made no later than June
- MAG/MOHLTC/MOF Marijuana – medical and non-medical need to be introduced as one bill
- MAG Ticket Speculation – move from bucket list to spring 2017 intro list
- MEDG Burden Reduction – policy approvals to continue to track this spring, but not leg intro

Thanks,
Sam
