Hi Karen:

Attached are the current early drafts of the LRC notes for the Net Metering and Green Button Leg items. They are still very draft with lots of placeholders and short on details given the lack of submissions.

Here is where they are on the drive if you prefer that route:

G:\EEJ&I Policy\5. Ministries\ENERGY\Green Button\2017-09-25- LRC- Leg\Note- GB\DLEG-878_ID50693_LRC_Committee_Note- 2017-09-07- GB leg- Draft-V1.docx

G:\EEJ&I Policy\5. Ministries\ENERGY\Renewables\Net Metering\2017-09-25- LRC- Leg- 3rd party and Virtual\LRC Note- NM\DLEG-877_ID50694_LRC_Committee_Note- NM- 2017-09-07- Draft-V1.docx

I am tempted to send to Energy to get them to fill in the blanks, but we should discuss at 4.

Thanks

Tim Hindmarch-Watson
