Update (Nov 23): Moved up to stay right behind Cabinet debrief.

After Cabinet debrief, was hoping to have a quick meeting with you to discuss changes to the Spring leg list in preparation for Friday's meeting. Attached are the materials from last week, with some updates that need to be captured for the Fall items only.

In addition, if we have some time at the end, I am also happy to discuss any questions you have about LRC.

Let me know if this doesn't work as I tried to find a time that seemed to work best in everyone's calendar.
