We think so – but would you mind just giving a quick e-mail update of what is fast-tracking, and anything else that may be of use to her for SoC's tomorrow. Maybe just sending a final of the Policy Linkages placemat will do.

Also, please copy Dianne on these so we can make sure we work things out with Martha's schedule!

Thanks!

Sorry, Joe!

She's in interviews.

Dianne can work to find another time. Maybe we just hold off until next week?
