Hi Lucia,

Sorry for the delay. Attached are my proposed changes which I'd be happy to discuss at the meeting on Friday. Copying Tamara as I've messed with her HT item. I haven't made changes to the longer chart – will send you those shortly.

Thanks!
Karen

Hi Karen...given most of the items are yours (sorry!), could you please let me know your changes to 2017 tracking at a minimum? Or if I should consult another source to help out, let me know.

I recognize there is duplication in the system right now.

Hi ECs,

In preparation for the next leg planning discussion, I've worked to update the Fall bill status (with target dates from GHLO in the detailed grid), and placement of potential Spring bills in the summary.

But I will need your help before finalizing/distributing Thursday (tomorrow) morning... though will keep it focused in recognition of your time. Could you please take a look at

the following and send me your comments/updates:

- Summary grid – confirm the placement of potential Spring bills and bucket items?
- Details – update the policy/committee tracking information for Spring bills (red font on pages 12-15)? If you have time, please feel free to do the same for items in the bucket list.

Thanks in advance and please let me know if you have any questions.
