Hi Lucia,

Thanks for the opportunity to review. My recommended changes are attached (tracked changes). I will be out of the office on Friday so Samantha Young will attend this meeting in my stead.

Cheers,
Karen

Subject: Confirming Changes < Leg Planning Calendar

Hi ECs,

In preparation for Friday's leg planning meeting, attached is an updated copy of the summary document and detailed tracking grid of leg planning items. The changes from the last versions are highlighted, which include what was discussed last week and/or tracking changes noted afterwards.

By tomorrow (Thursday) noon, please let me know if you have any other changes you would like captured. For items that have been struck from FES, could you confirm they are either coming off entirely or moved tracking elsewhere? If items should be noted as mandate items and are currently not, please let me know.

My hope is to send out materials for Friday's meeting in the afternoon.

Thanks!

Lucia Frndova
