Hi Martin,

Thanks very much. Do you know if the communications bullets were shared with CO comms?

Thanks,
Rebecca

Hi Rebecca,

Attached are updated drafts. I am still following up on timing for finals, as while these are near final they are still drafts.

Thanks,
Martin

Hi Rebecca,

I will follow up on new drafts. Timing for the signed versions is still TBD. Since we have the LTEP launch tomorrow in the morning though, it would likely be in the afternoon.

Thanks,
Martin

Hi Martin,

Thanks very much for sending draft materials. Just wanted to check in that you are still planning to send updated materials today. Also, do you know what time you will be able to provide final signed materials tomorrow?

Best,
Rebecca

Hi Folks,

Attached are the current drafts of the regs, the approval form, and comments/edits on the pink note.

The regs and approval form are still undergoing changes, but these are near final. I hope to get you updated ones tomorrow.

Thanks and sorry for the delay in getting these to you.
Martin

Importance: High

Hi Martin:

Following up to see where materials are at for the Fair Hydro Plan regs? We really need to have the package, including comments on the draft note, this morning if we are going to be able to ensure that the item stays on for the 30th.

Thanks,
