Hi Tim,

A number of our concerns regarding the proposal remain unchanged. Attached is a note we developed summarizing these concerns, which was developed without the benefit of reviewing MOECC's submission. If we receive the submission and anything changes, we will let you know.

Thanks,
Martin

Subject: GreenON Solar

Hi Martin

Hearing that Energy may have unresolved concerns with the TB sub on GreenON Solar going to the board on the 24th. Can you advise?

Thanks!

Tim
