Here is the last note from me re: MDMR Integration (Energy).

Just waiting on a response about their communications plan, you'll see a comment bedded on this.

Subject: LRC Notes - December 13

Hi Karen,

See attached two notes for approval going to LRC on December 13.

Ewa and Megan have reviewed and these have been fact-checked by respective ministries (and affected ministries).

1. Drinking Water Standards (MOECC)
2. Construction Projects (MOL)

-
3. MDMR Integration (Energy) – this one is on its way, just clearing up a question with Energy. I should be able to you shortly.

Let me know if you have any questions on these.

Thanks,
