Hi Martin:

Just learning that MIRR staff are proposing an amendment to the minute. This issue was raised at the staff multi, but it was not suggested as a consideration to include in the minute at the time. Please let us know the Ministry's thoughts on the inclusion of something along these lines.

Thanks

Hi Tim,

Attached is the draft LRC package for the USMP regulations. The Reg Registry closes end of November so we will update these materials if needed but wanted to share now.

Thanks,
Martin

Attached is:

- 1) PRIA Form
- 2) Regulation Comparison Chart
- 3) Proc OIC to proclaim the legislative sections (pw: legcounsel)
- 4) LRC Form
- 5) TAED exemption request (we would like to have leg/reg come into force April 2018 to align with OEB fiscal plan)
- 6) Regulation (short regulation on allowing OEB to assess costs from the USMPs as they do with other regulated entities) (pw: legcounsel)
