Ok, thanks. In that case we will need to add a few lines to the note to outline what the directives will include (at a high level). I've put a placeholder in the revised draft note (attached), and would appreciate your input on that as soon as possible. This is also out with partner ministries for review / fact check now, with comments expected by noon tomorrow.

Any word on timing for a call with Martha tomorrow?

Thanks,

Karen

We will be talking about the directives and seeking a minute to issue directives, but the actual final versions won't be tabled until Sept.

Thanks. One clarification – are the directives going to be detailed in this submission or the September submission?

Hi Hillary:

Please find attached an early draft CBN for ministry review and input. There are a number of questions in the margin for folks to address. I am away tomorrow and next week so please be sure to copy Karen on any emails.

Thanks
