Subject: Policy Linkage Placemat - September 26 TBMBC

Good morning,

The next regular TBMBC meeting is scheduled for September 26 (possibly being moved to the 25th), 2017 and reporting into Cabinet October 4, 2017.

Please find attached a draft of the Policy Linkage Placemat to support the Deputy at the upcoming Chair's briefing.

I have included items from the draft TBMBC agenda, and pre-populated information in the placemat, but I would look to ECs/advisors to provide

additional key policy linkages, recent (or upcoming) policy decisions, trips to committee, fast track requests, and/or a bullet on relevant policy background/context. This information should not typically exceed 2 – 4 bullets in the policy linkage column. If additional info is required we can attach a CBN, as needed.

I would ask that you please provide input in track changes and return by end of day Tuesday September 19 or earlier.

Thank you as always for your collaboration on this document,

Joe
