Yeah apparently there may be another and SoC heard from MOF/TBS that they are concerned about it. Heads up...?

The only fair hydro plan related pieces I was tracking to the next LRC was related to showing the benefits on bills and moving OESP to the government revenues from the rate base.

No – hearing there may be a further GA refinancing one re: OPG that was discussed yesterday midday. Something that TBS and MOF are fussed about? Serge and Steven are chatting right now and he's asked for a quick summary of the package by 11am today. Happy to chat.

Hi Karen,

I am not aware of a further reg package for OFHP. Are you referring to the ones approved yesterday?

Thanks,
Martin

Hi Martin,

Do you have a few minutes for a quick call before 9am on the next reg package for OFHP. SoC has asked some questions about the package and the MOF/TBS position on the reg(s).

Thanks,

Karen
