Hi ECs,

Based on last week's leg planning meeting and today's POCO, I've updated the leg tracker and summary. Can you please send me and Kyle any edits by **Tuesday eod** ? We will be integrating your edits with updates from OLC for Thursday's leg planning meeting (which James is chairing).

Please take special note of the following questions/comments:

- Cannabis – do we know if the title been discussed with PO? If not, will have to do this ASAP to ensure ready for 31st intro.
- Two new items for 2018, please confirm description/tracking
 - o MOL – Fair Wage
 - o MOF / MIRR – Tobacco
- Note that a meeting with broader PO is scheduled for Nov 7th to discuss 2018 list. If there are any policy items tracking between now and 2018 that have a leg component, please let me know so we can either track it in the bucket as TBC or have in a backpocket piece in case it comes up.
 - o I will schedule a pre-meeting with ECs on this.

If you have any questions on the attached, please let me know. Thanks!

Lucia
