Subject: Re: Meeting next week?

I would be happy to use the time scheduled for the Sponsors' meeting to instead meet to resolve the remaining issues.

Hi Hugh,

As you know, we are working to tight deadlines on OPTrust expansion.

I think we have a few issues to resolve but from my perspective we are close. We are hoping to push up our Treasury Board date earlier in April and I want to make sure that all the actors are on the same page.

This would include my colleagues from Finance, our chiefs of staff and my senior team at TB. Would you consider using the time when the plan sponsor meeting was scheduled? If not, let's get another date within the week.

Best,

Helen
