Hi Marianne -

As we chatted about, a ttached for your reference are the current drafts of the documents that we will have with us at lock up or that you may wish to review in advance of tomorrow.

Attachments include:

- 2018 Minister's Briefing Product: DRAFT placemat, with placeholder content (sections titles and format will be revised in the lock-up) – this will be our key briefing tool to take the Minister through the highlights of the Budget
- Overview of recent media speculation on content of 2018 Federal Budget
- DM-MO Briefing Deck (this is what we walked you through on Thursday last week)
- Background: 2017 Federal Budget Watch, 2017 Federal FES Watch (MOF summary notes)
- Background: An overview of the 2017 federal budget, produced in the days following the budget

We have some Qs and As and key messages that are working their way through for comments. I will share those with you as soon as I have revised version.

Let me know if there is anything else you require.

thx
