Marianne/Saad/Gwen,

Energy has prepared the attached deck, with three bill presentment options that relate to the 8% electricity relief. We (incl MOF legal) have reviewed and provided comments (in red in the attached) back to Energy.

We have also asked that they share the final versions and keep us apprised of any announcements or communications strategy this may be tracking to.

Will keep you updated as this develops.

Best,

Jenarra

Subject: Bill presentment options - for MOF review/feedback

Hi Jenarra – hope all is well.

I've left you a VM with a bit more detail on this – we wanted to share the attached deck, with three bill presentment options, with Sriram for review. This relates to the 8% electricity rebate that was announced recently.

Welcome initial questions about this deck, and more than happy to set up time for Michael and Sriram to discuss. Maybe there is a time next week that works?

Best,
Arla
