Importance: High

Hi again all,

Here is the draft version of the Qs & As for our minister. Still very fluid. Will be touching base with some other program areas to ensure we are aligned (e.g. question regarding raising taxes).

Let me know what you think – particularly about responses on the placeholder items. The last four are questions our MO specifically requested. We don't have too much direction from ENE on these.

Thanks a million!
Mashoka
