Hi again team,

CO wants to know if we have any changes within the next 10 minutes. Any updates? My apologies again on being the bearer of these under-the-gun deadlines – don't mean to be cracking the whip!

Hi Mashoka,

Attached are the CO-approved versions of the BGs for tomorrow's announcement.

Note – these versions do not include PO's edits. I'll be sharing these versions for PO approval simultaneously.

Please advise if there are any *factual* concerns from MOF's perspective by **4pm today**.

I've looped in **Megan + Rachel from Energy** – MOF may need your help if there are any questions or substantial factual edits that come out of their review.

Next steps : once MOF has reviewed for factual accuracy, we'll reshare products with MOF's input to PO for final approval.

Please advise of any questions or concerns.

Thanks so much,

SARAH YOO
