Hi Marianne,

Further to my earlier call the draft bulletin can be posted as soon as it is approved and translated. Saad – if no concerns on your end either, we can direct TBA to start the translation process. If approved today, and no delays in translation, it looks like it can be posted this week.

In terms of the regs, they are with legal for review. It appears that one of the regs (the transfer tax deduction one) was missing from what was sent on Friday. I have attached it to this email for your reference, as well as the previous documents for your convenience. We will send up the final regs once we have received legal's sign-off.

Hi Caroline,

As per Angie's highlighted instructions below, I am to work with you in getting the attached bulletin published. Since it's dated Nov 2016, it would be nice to publish it this month. Please let me know what, if anything more, you will need from me to do so.
Thanks.

Hi Rudy

TPD has gotten back to us on the Bulletin you drafted and has made some significant changes. Could you please review and discuss any with which you have any concerns with Daniela. Once you have a version that both you and TPD agree on (and LSB has weighed in), please send to Caroline and work with her about getting it published.

Caroline – this is a brand new pub that Rudy initially drafted when he was on secondment with TPD. We sent it to them awhile back and they have now sent us their feedback. As it is a new bulletin, it may need a more rigorous approval process.

Daniela/Rob – do you have any timelines of when you would like to see this posted.

Hello Angela,

We have made revisions to the draft Bulletin. I am attaching the tracked-changes and the clean version for your review.

I have asked Legal to review the disclaimer on page 1. I will let you know if they propose any edits.
