Ok. Thanks.

I'm still in sign-off and don't have easy access to old notes. Still waiting on staff.

We (MO policy advisors) brief the Minister every Friday on different themes in the yellows. I'm up tomorrow with energy, amongst other items. The briefing notes have template sections, including fiscal impact. While the FHP has been approved and the info is not new to the Minister, I want to include the fiscal table for his reference.

You're welcome Marianne. What's the product for and timing?

Hi Marianne,

I emailed staff, but they are in transit, so it may take a little while to respond.

Hi team,

I'm writing a one pager on the FHP. Is there a handy table somewhere of the fiscal impact, broken down by the different elements? I know that was in one of the decks we used to brief the Minister towards the end of February, but I want to ensure I have the most up to date one.

I would really appreciate if you could help me track this down ASAP.

Thanks,
