Hi Marianne,

Would this help? I'm not sure how you want to describe the Affordability Fund amounts. As you know, TB approved \$100 M for 16-17, with report backs provided for such that more could be potentially allocated in later years -- timing TBD.

Hi Marianne,

I emailed staff, but they are in transit, so it may take a little while to respond.

Hi team,

I'm writing a one pager on the FHP. Is there a handy table somewhere of the fiscal impact, broken down by the different elements? I know that was in one of the decks we used to brief the Minister towards the end of February, but I want to ensure I have the most up to date one.

I would really appreciate if you could help me track this down ASAP.

Thanks,
