Subject: FW: Memo: Review Process for 2017 Long-Term Energy Plan

Good Afternoon:

See below, I think you would have already have received. Wanted to add some context and flavour : because of some Cabinet Documents from the Ontario Fair Hydro Plan process that ended up in the

Toronto Star, we are using strict "budget style" protocols for review of the upcoming Long Term Energy Plan document text.

If you are keen to send Policy / Communications staff to review appropriate sections of the document so that you can see linkages to where your own Ministry may be interested. We are also mapping out an extensive grid of stakeholders for post-release management purposes, you may want to feed into that process. Also, you may be scratching your head on why you are listed here for review of document text. If that's the case, feel free to reach out to one of our awesome policy staff for confirmation, but if you are receiving this message it means that we think that you'd be interested in at least one paragraph.

Meaghan Coker = Renewables (*includes Trade related matters), Climate Change & Indigenous Files
Trevor Esdaile = Conservation & Climate Change
Matt Whittington = Agency Policy, Transmission, Distribution & Municipal Utilities
Craig Ruttan = Supply Policy, Generation (Nuclear, Natural Gas, Imports)
Landon Tresise = Stakeholder Management and Managing LTEP Production / Liaison with writers

Note on these deadlines, it is important for us to get through this review period so that we can hit the timelines on publication, this Fall of the Government's Long Term Energy Plan 2017.

Many thanks, in advance.

SUBJECT: Review Process for 2017 Long-Term Energy Plan

Since spring 2016, the Ministry of Energy has been engaging other ministries on the 2017 Long-Term Energy Plan (2017 LTEP) through four multi-ministry meetings. We are now writing to advise you of the review process for the draft 2017 LTEP document.

In order to meet timelines for the release of the 2017 LTEP, the Ministry of Energy has scheduled review time on Wednesday August 30 from 10:00am to 1:00pm and Friday September 1 from 10:00am to 1:00pm. Review will take place at the Ministry of Energy Offices at 77 Grenville (7th Floor, Boardroom 7A). Upon arrival on the 7th Floor of 77 Grenville, Ministry staff will direct you to the review room.

The review of the draft 2017 LTEP document will take place solely during the above review times. Copies of the draft document will not be permitted to be removed from the room, and no electronic copies will be circulated subsequent to the review times identified.

We recommend that you invite the ministry staff you deem appropriate for the review of the 2017 LTEP. Please confirm attendees and preferred timing for sign-off with Hillary Armstrong at (416) 327-6738 or hillary.armstrong@ontario.ca. Ministry of Energy staff will be available to answer any questions you or your staff may have.

Thank you for your cooperation and support.
