Hi Marianne,

How about something like this, noting that Cindy may want even more – well see.

The rest of the text may not be caught up on the various other edits that have come in.

Hi Marianne,

I have already asked staff to draft. I'll circulate a draft later this morning.

Can we be proactive and draft? I don't want accounting speak.

Subject: Narrative Heads Up

Hi Marianne,

I heard from OPCD this morning that they want the wording to be more explicit in the FHP narrative on the future cost recovery from ratepayers of the GA deferral amounts through the Clean Energy Adjustment under the Act.

We can draft something, and/or see what OPCD comes up with.
