Subject: URGENT REVIEW - Chapter 2

Hi team,

Further to our discussion, attached are two documents:

1. D12... (external pw) These are my proposed edits to the current version of the yellows, based on comments from PO comms.
2. Electricity 2.0 (internal pw) These are my comments on the PO comms edits that I did not incorporate.

Please review ASAP as PO comms will be coming in to read after 5pm today. Following your review, I'm going to send the first document to Energy MO for review as well.

Thanks again for all your help with this.

Cheers,

Marianne Nguyen
