Subject: Rate Mitigation/OPG Business Plan

Hi Marianne,

ENERGY is tracking to TB on May 9th and CAB on May 10th with a submission on Rate Mitigation (Fair Hydro Plan) and OPG's Business Plan. Although we are not signatories on the submission, staff are recommending a Minister's briefing to prepare him for TB and CAB.

If you would like staff to brief the Minister, I'll work with Marie to set it up.

Let me know, thanks,
Gwen.
