Okay. Thanks. Jeet had passed along that the regs had already been sealed and that changes were not possible anymore. Can you please advise as I need to update my note if the Jan 1 implementation is not what is happening. Thanks

Hi Tim,

This was an oversight. We will be revising the reg to have it come into effect on Jan 1, 2018.

Thanks,
Martin

Hi Martin:

Just following up to clarify one point on the package. The LRC approval form, and the CO LRC note, currently have these regulations coming into effect on Jan 1, 2018. The regulations themselves, however, indicate that they are active upon filing. Can you clarify which is the intention of the ministry?

Thanks

Hi Tim,

Attached is the final LRC package for Bill presentment. Only thing left is to translate and seal the regs.

Please find attached.

- 1) Final versions of amending Reg 195 and 196
- 2) Comparison charts for each
- 3) PRIA
- 4) Comms Snapshot (approved by Comms Branch)
- 5) Signed DM LRC Form

We anticipate the final storage package today as well.

Our MO has informed us that the Minister will sign the final regs on Friday morning and we will deliver to ECO.

Thanks,

Martin
