

Delivering Fairness and Choice

LTEP 2017

Table of Contents

Minister's Message

1. Ensuring Affordable and Accessible Energy (Lead: Tim Christie)

- Making Energy Affordable (Tim Christie)
 - Rate reduction (Tim Christie)
 - OESP (Sunita Chander)
 - Affordability Fund (Usman Syed)
 - Expanded RRRP (Sunita Chander)
 - Refinancing GA - Intergenerational Fairness (Tim Christie)
 - Natural Gas Expansion (Adrian Nalasco)
 - Gasoline Price Review (Adrian Nalasco)
- Increased Consumer Protection (Sunita Chander)

2. Delivering Fairness and Choice (Lead: Tim Christie)

- The Need for Flexibility (Tim Christie)
- Electricity Supply and Demand (Tim Christie)
- Transmission Forecast (Ken Nakahara)
- Fossil Fuels Supply and Demand Forecast (Adrian Nalasco)
- The influence of the Carbon Market (Tim Christie)
 - Flexibility in Ontario's Transportation Fuels (Adrian Nalasco)
- Maximizing Existing Infrastructure (includes nuclear refurbishment) (Tim Christie/Adrian Nalasco/Sam Colalillo)

3. Delivering Efficiency and Value (Lead: Shruti Talwar)

- Enhancing Reliability (Ken Nakahara)
- Competitive transmitter Selection (Ken Nakahara)
- Right-Sizing (Ken Nakahara)
- Preserving Transmission Corridors (Ken Nakahara)
- The Role of Data and Digital Technologies in Policy Development (Shruti Talwar)
- Modernizing Business (Sunita Chander)

4. Enhancing our Commitment to Energy Conservation & Efficiency (Lead: Usman Syed)

- Enhancing our commitment to Energy Conservation & Efficiency

- Getting More from Conservation (Usman Syed)
- Raising the Standards for Energy Efficiency (Usman Syed)
- Ensuring a Customer-Centric Approach (Usman Syed)
- Providing Choice through Information, Tools & Data (Usman Syed)
- Innovative Pricing and Flexible Rate Plans (Usman Syed)
- Expanding the Scope of Conservation (Usman Syed)

5. Preparing for the Future / Innovation (Lead: Sunita Chander)

- Modernizing the System (Sunita Chander)
- Distributed Energy Resources (Sunita Chander)
- Energy Storage (Sunita Chander)
- Net metering (Sam Colalillo)
- Electric Vehicles (Sunita Chander)
- Vehicle-Grid Integration (Sunita Chander)
- Regulatory Frameworks (Sunita Chander)
- Renewing the Smart Grid Fund (Sunita Chander)
- Success of Renewables (Sam Colalillo)
- Exporting Ontario's Energy Expertise (Shruti Talwar)
- Nuclear Innovation (Adrian Nalasco)

6. Responding to the Climate Change Challenge (Lead: Tim Christie)

- Building on a Firm Base (Tim Christie)
- Shifting to Renewable Natural Gas (Adrian Nalasco)
- Integrated Energy Solutions
 - Electrification of Space Heating (Adrian Nalasco)
 - Power-to-Gas (Adrian Nalasco)
 - Heating and Cooling with Renewable Energy Technologies (Sam Colalillo)
- District Heating and Cooling
 - Solar Air and Hot Water Heating (Sam Colalillo)
 - Ground Source and Air Source Heating and Cooling Systems (Sam Colalillo)
 - Near and Net Zero Carbon Buildings (Sam Colalillo/Usman Syed)
- Climate Change Adaptation
 - Ensuring a Resilient Supply (Shruti Talwar)

7. Supporting Indigenous Capacity and Leadership (Lead: Ken Nakahara)

- Addressing Energy Affordability
 - First Nation On-Reserve Delivery Credit (Ken Nakahara)
 - Conservation (Ken Nakahara/Usman Syed)
- Enhancing Energy Resiliency

- Connecting Off-Grid Communities (Ken Nakahara)
 - Community Energy Planning and Implementation (Ken Nakahara)
- Supporting Local Opportunities
 - Building Sector Knowledge and Capacity (Ken Nakahara)
 - Exploring Energy Projects and Partnerships (Ken Nakahara)
 - Accessing Financing (Ken Nakahara/Shruti Talwar)

8. Regional Priorities (Lead: Ken Nakahara)

- Community and Regional Planning (Ken Nakahara/Usman Syed)
- Expansion of Natural Gas (Adrian Nalasco)
- Supporting Economic Development (Ken Nakahara)
