Subject: Re: Draft GBE and control analyses

My only comment is whether we need to characterize the smoothing as a "service".

Hi Michel,

I pulled together the attached table based on your GBE analysis. I would like to insert into the latest version of our presentation. Can you take a look and let me know if this makes sense? In particular take a look at the red text, as those are my additions. Please add or change as needed.

Thanks,
Scott

Subject: Draft GBE and control analyses

All,

Please find enclosed the first draft GBE and control analyses for IESO for your review and comments.
