CONFIDENTIAL AND SOLICITOR/CLIENT PRIVILEGED

Hi all,

Please find the signed documents enclosed for your records. These should arrive at OPTrust tomorrow. Thank you Mary and Niki for your help getting these signed and out the door.

Carol, let's touch base this week to ensure we have all the loose ends tied up in terms of tracking next steps and such okay? There are some things we wanted to pursue in due course such as amending the OPSEU Pension Act so we'll just want make sure things like that don't fall by the wayside.

Thanks and see you all soon, KG
