Hi Nadine,

I spoke with Priscilla Hsu and she forwarded the other deck, Slides for Fact Check, (two decks were in the original email) in case there is anything for OPCD.

I am including it here, just in case.

Thanks,
Shannon

Hi Nadine,

Mercedes/Sarah were cc'd on the email below with a request to review slide 6.

I think this may be for your branch, so am forwarding to you for review.

Thanks,

Hi Priscilla,

Thanks for sharing the slide decks. Please see below my comments on each piece:

- **SLIDES FOR FACT CHECK:** Can you please take a look and advise whether we have updated these slides accurately to reflect changes in the budget? This is for the SOC's presentation at the Finance Forum next week. This is needed by 1pm on Friday. **No input from PEMD, as there is no program expense information for update/fact-check.**
- **Slides Requiring Update – Budget:** Can you please update based on the new budget? I would appreciate your revisions by Tuesday at 9:30 am at the latest. **There are two slides with program expense information: Slides 6 & 8.**
 - For slide 6 I'm copying Mercedes from the Office of the Controller, as numbers pertaining to program expense appear to be actuals.
 - For slide 8, we provide the expense numbers to the Office of the Budget, who combined with population numbers, estimate the per-capita number (I've cc'd Ryan for reference as I understand OB is reviewing the slide).

Don't hesitate to let me know if you have any questions.
Nina

Hi Priscilla,

OB will review. You should also loop in OFA for the net debt slides and TBS/PEMD for the program spending slides.

Thanks,
Ryan
