Subject: Draft TB/MBC note on Affordability Fund

Hi everyone,

As you know, Energy's Affordability Fund is being tracked to the March 6 TB/MBC. Attached is our draft note for comments. Patrick/Nina - given we don't have a lot of time, thought I would share this first draft with you as well. The Minute, as per Karen's direction, approves \$100M in 2016-17, with report back requirements.

Let us know if you have any edits - we will be monitoring over the weekend and will be incorporating edits. Also, let us know when you think we can share with Energy and Cabinet Office.

Thanks,
Felix
