Hi Patrick-

Just off a call with Energy. Their policy shop has an embargoed copy of the report and they're in the midst of analyzing it. Energy Comms will share with us their media Qs by Tuesday. They're also going to have another look our Global Adjustment HBN and make sure it aligns with their products.

I'm prepping an update to the MO and DMO. Is there anything OTB wants flagged or mentioned at this time?

Thanks,
