Perfect, thanks! I spoke with Dane earlier and it's likely the meeting will be shortened from the 2 hours it currently is. Not sure what we could talk about for that length of time without energy.

Hi Sarah – yes, I've shared the deck with Felix for the social programs!

FYI – confirmed Energy will not attend.

Havent heard back on the approach email sent earlier – Nina were you able to send the deck to Felix for the social programs part? I've asked Nadine to look at the GA Refinancing and Affordability Fund pieces she is involved in.

Hey Sarah,

I spoke to Jason and he does not want Energy to attend the briefing. He thinks that this can be handled internally since we're just updating the Minister and bringing her up to speed. We're going to invite MOF and see if they're available to attend. Also, if the Minister Sandals gets into the program details during the meeting we'll have a follow-up briefing that will include Energy.

Hey ill confirm with Kyle tomorrow but I think your understanding is correct it's a progress update for our Minister. There is interest in inviting Minister Sousa to the briefing but I hadn't heard about Energy.

Hi Dane,

For this meeting on Tuesday, was the invite extended to Energy to attend? Might be useful to have them there to answer program questions.

Otherwise, is the idea for us to give an update on the implementation group meetings?

thanks
sarah
