Hi Sarah,

I just wanted to confirm that the FAO is alright to have KPMG attend the meeting. I'm going to set it up between 3pm-4pm tomorrow. Can you please forward it to the appropriate KPMG representative?

Thanks,
Ryan

FYI about KPMG for the meeting tomorrow. They are working on gaining the approvals just in case.

Thanks Michel.

I have copied Cindy's assistant, Sarah Hosick, so that she is aware of the requirements. We are still awaiting confirmation of the details for a meeting. Given the short turnaround time, do you think it would be prudent to initiate the requisite approvals on a 'contingency' basis?

Thanks again.
Nadine

Hi Nadine,

I have availability to attend a meeting after 2pm tomorrow. It should not be a call. However, I am required to obtain authorization from our risk management department. Assuming they accept, we will need, as a minimum, to obtain from IESO a consent, release and indemnity letter.

Regards,

Michel

Kim/Michel,

I understand that a call/meeting is being contemplated for tomorrow afternoon with staff from the FAO to discuss accounting for the FHP. The primary purpose for the meeting is to help the FAO staff to better understand the accounting elements of the GA Refinancing structure to help them as they finalize a report on the topic.

I have been asked to confirm your availability for a 1 hour meeting/call tomorrow afternoon after 2 pm.

Thanks in advance.

Nadine
