I'll have to confirm who will be leading the SoC briefing (we're assuming Energy) but OTB will lead the Minister's briefing.

Thanks Dane - so just to confirm, energy will lead the SoC meeting and then OTB will lead the Minister's briefing?

Hey Sarah,

I'll check with our MO but I think we're going to adjust the briefing time to avoid the conflict. SoC will be 9-10 and minister 10-11. I don't think 2 hours was needed but I'll confirm.

Hi Dane

The SoC meeting below conflicts with the Minister's briefing on the same topic. Have you heard anything on which meeting will go forward? This one has Energy at the table.

Thanks
Sarah
