

List of Issues for 2017-18 PRRT Minutes

Summary from ADM briefing Wednesday May 17 am

MOHLTC

- OHIP+: Minute amended to remove requirement for policy approval, as recommended by CO and MOHLTC
- OHIP - Fee-for-Service Physicians: PRRT proposal included savings from Phase II fee reductions. Minute will instead direct ministry to achieve savings by managing growth in Physician Services Payments.
- Clinical Education: PRRT proposal included savings from closure of three programs. Minute will instead direct ministry to achieve savings through efficiencies and report back as part of broader Savings Initiatives and Risks Report Back with details.
- Capital – hospital beds issue

EDU

- Key report backs (one on child care)
- Add to the list the issues of consolidation (Karen's direction to deal as part of PRRT minutes)
- Capital – Budget minute consolidation update

MAESD

- Holdbacks for HSW and Apprenticeship (int'l strategy)
- Include one trade-off (one of the levers) in the key issue list

MCYS

- Autism – originally recommended a holdback but received subsequent direction
- Add Child Welfare & Autism to key issues list - MCYS is coming in for report backs
- OCB accrual adjustment report back

MCSS

- Levers take away money given in preliminary allocation – direction on how to position the ups and downs in the minutes – linkage with report backs and risk management

MCI
