I would like to add this tracker to the weekly to ensure an all-of-government coordination for FAO requests.

Secretary,

Going forward, on a weekly basis, MOF will be sharing this tracker with us. It provides a summary of the engagement with the FAO amongst the various ministries.

MOF will also be sharing draft reports as soon as they receive them. We will need to limit distribution as they are often shared on a confidential basis with MOF.

Many thanks
Boafoa
