93. Ms. MacLeod – Will the President of the Treasury Board provide the following information: a) When the expert panel to review pension accounting standards in Ontario was created; and b) When it will be providing recommendations and/or a report. (Tabled October 06, 2016)

Response

The Pension Asset Expert Advisory Panel has been created and the panel members were announced on November 10, 2016. The panel will provide me with a report that outlines their advice and recommendations to the government on the application of public sector accounting standards to Ontario's net pension assets. The report will also be shared with the Auditor General of Ontario and be made public in early 2017.
