Subject: Auditor General - Special Audit of IESO

Hi all,

FYI – we have just been informed by our colleagues at the Ministry of Energy that the Auditor General's special audit report on the IESO is expected to be released on Monday April 23rd.

It is expected that there will be a media event to accompany the release, along with the report being posted on the OAGO website.

We are confirming with our colleagues at Energy that this matter is their lead, and we will share any issues management products we receive once available.

We'll be sure to keep you updated.

Thanks,

Alisha
