Hi Alexi –

We're working to update but aren't there yet on the fuzzy blues.

What I've attached, which I hope is at least a bit more helpful than the MM+P deck alone, is a spread sheet with two tabs: the first provides a list of the fuzzy blue items with a comments column with descriptions; the second provides a summary of what's included in the 'other' rows of the 'need to do' and 'to consider' buckets.

Once we've got an updated fuzzy blue summary and breakout we'll be sure to share.

P.

Hey Patrick,
With Dane away, I'm wondering if you have access to the latest list of fuzzy blue items. Our policy team is looking to review this list at 4 today.
Thanks,
Alexi
