Subject: Opposition Day Motion Debate & Vote - Tuesday, October 24th at 5:45pm

Hi all,

Next Tuesday afternoon (October 24th) there will be an Opposition Day Motion debate and **vote**. I have included the text below. As with all Opposition Day Motions, there will be a **vote at 5:45pm on Tuesday** and **attendance at this vote is mandatory**. Our office will be following up to confirm every Members attendance at this vote.

Thanks,

Mora

*Mr. Brown — Whereas, the Auditor General revealed that the government's Fair Hydro Plan could cost Ontarians up to \$4 billion more than necessary;
Whereas, the government passed legislation to make their own accounting rules that serve to dilute the impact of their financial decisions;
Whereas, the government's intention in creating the accounting and financing design to handle the costs of the electricity rate reduction was to avoid affecting its fiscal plan;
Whereas, the government should have recorded the true financial impact of the Fair Hydro Plan's electricity rate reduction on the Province's budgets and consolidated financial statements;
Whereas, the government should have used a financing structure to fund the rate reduction that is least costly for Ontarians;
Therefore, the Legislative Assembly of Ontario calls on the Liberal government to issue an apology to the*

Auditor General and the people of Ontario.

Addressed to the Premier. To be debated October 24, 2017.
