Subject: Electricity Mitigation

Hi Jason,

Flagging for you: We currently don't have updated materials from Energy on this item. At this time, all we have is the materials from FPC - and a very draft shell of a note.

We're going to reach out DMO-to-DMO, but you may also want to check in with ENE's MO to see if they have more information on where their materials are at.

Thanks,
Travis
