Hi Christine and Matt,

I've attached notes and Qs&As that you can reference for your round table.

Please let me know if you need more material.

Best,
Ivana

Hi Ivana,

Minister Sandals going on tour on Friday, she will be in Stratford for a few local announcements and hosting a roundtable with local businesses. Our office is pulling together supporting materials for the roundtable and we were hoping that your office could provide either your housebook note or a standalone note on supports for small businesses? Could please share this material with our office by Thursday at noon?

Thanks,
Christine
