Minister Thibeault:

I am writing on behalf of the Association of Condominium Managers of Ontario (ACMO) in connection with Bill 13 and the issue of the hydro rebate.

We have attached a letter and briefing note that outlines ACMO's recommendation for implementing the rebate provisions of Bill 13 as they relate to the condominium sector.

We are pleased to be working with Matt and in fact we will be discussing the issues outlined in our briefing note with him on Friday afternoon.

We look forward to working with you and your colleagues on Bill 13.

Thanks for your consideration of our issues.
