

Q35 Question about Hydro Rates for Ontario Residents Only
On March 3rd, Premier Kathleen Wynne announced changes to Hydro rates in the province.
How satisfied are you with each of the following changes:

Answered: 1,173 Skipped: 1,393

	Very Dissatisfied	Dissatisfied	Neither Dissatisfied nor Satisfied	Satisfied	Very Satisfied	Don't know	Total	Weighted Average
1. Increase average discounts for all residential users to 25% (inclusive of the previously announced 8% reduction)	15.77% 184	17.40% 203	26.05% 304	29.22% 341	8.05% 94	3.51% 41	1,167	2.96
2. Increase discounts available for low income individuals. A one- or two-person household with an income of \$39,000 or less is now eligible for a \$40 a month credit (through the Ontario Electricity support program)	11.47% 133	13.28% 154	24.66% 286	30.69% 356	15.60% 181	4.31% 50	1,160	3.27
3. Further automatic reductions for rural users with the highest fees (through the rural and remote rate protection program)	9.78% 113	10.74% 124	26.06% 301	30.22% 349	15.41% 178	7.79% 90	1,155	3.33
