Hi.

So, I ran into a member of the OPG Board of Directors who happened to once be a Provincial Cabinet Minister (but that's as far as I shall hint) this week and they had not had occasion to hear about Thibeault's speech last week to Empire Club.

Anyway, I got to thinking that you might both want to share this with your Boards of Directors / OEB Members.

Everyone in need of holiday reading, right?

Take care and hope you are both keeping well.

Atel/
