Hi.

See chain.

I wonder if you have any additional items and if possible, separate items for discussion at our earlier Thursday pre-luncheon "DoP / CoS / OEB" meeting?

Andrew

Subject: Lunch Agenda

Good Afternoon:

Subject to the Chair's concurrence - please find enclosed our proposed list for topics to discuss at the luncheon this coming Thursday.

Reminder, due to anticipated votes and post-QP scrums, we are booked for 12.30pm at the Main Legislative Assembly Dining Room, but also see that we have an update with Matt and I directly prior, so we'll be spending a fair bit of time together this Thursday.

Please let me know if anything here is either unclear or not ready / appropriate for discussion with Minister of Energy.

Take care,
