Here is an actual testimonial from customer re FHP that we received. I thought worth sharing. One example of the impact affordability has on the lives we serve.

Hi there.. Well, I have to tell you I was really pleased by my Hydro bill this month... for the FIRST TIME EVER!

It's what it should be almost... paying for the actual hydro used and you cut the delivery fee.. that's friggin amazing.. I hope it stays that way - you have no idea - I've been struggling for years to pay this bill every month as it's a car payment and sometimes almost a mortgage payment. And being a single mom of two and struggling all the time.. it's a huge relief.. and I do hope it stays this way..

Thank you,
Stephanie Jewell
