Hello Andrew,

As I understand you discussed with Rose, attached is the piece that we have prepared on how the *Fair Hydro Act, 2017* will affect different parts of consumer bills. Subject to making any last-minute tweaks that we might feel are necessary, I believe that we are planning to go live with a new webpage that includes this information around noon tomorrow. I anticipate that we will be looking to update the page when we release the new RPP prices next week.

Please do not hesitate to contact me if you have any questions.

Best regards,

Martine
